EDUCATION

Rancho Bernardo High School **Aug 2022 - Present**

- 4.0 unweighted GPA
- 4.55 weighted GPA
- 19 college level courses

CERTIFICATIONS AND AWARDS

- Certified SolidWorks Associate (CSWA)
- Certified SolidWorks Professional (CSWP)
  - CSWP-A Weldments
  - CSWP-A Drawing Tools
  - CSWP-A Sheet Metal
  - CSWP-A Surfacing
- FIRST Robotics Competition Dean's List Finalist (2025) and Semifinalist (2024 - 2%)
- Modeling the Future Challenge Semifinalist
- National Merit (1520/1520 PSAT) – Top 1%
- Top 8 Science Olympiad States (Optics)

WORK AND VOLUNTEER EXPERIENCE

CNC Manufacturing Intern, Kinetic CNC **Jul 2024 - Aug 2024**

- Operated 4-axis HAAS CNC machines, overseeing production to ensure high-quality standards for commercial parts.
- Designed precision fixtures in SolidWorks for CNC machining and sandblasting, optimizing workflow.
- Machined and finished hundreds of parts, improving product consistency and finish.
- Acquired skills in GD&T, reverse engineering, and machine maintenance.

Prosthetics Intern, Robard Bionics **Jul 2025 - Sept 2025**

- Designed distal attachments in SolidWorks
- Optimized pinky prosthetic and the outward aesthetic of a lower limb prosthetic
- Shadowed client meeting; observed the effect of engineering on amputees

President/Design Lead, FIRST Robotics Competition Team Σ-Motion **Sept 2022 - Present**

- Led design, prototyping, and assembly of multiple 2000+ part robots in 6 weeks; independently developed 3 of 5 key mechanisms in 2024, 4 of 7 in 2025, and 4 of 8 in 2026, managing manufacturing and production from 2024-2026
- Enhanced design efficiency using SolidWorks and Onshape with FEA and Topology Optimization.
- Drove team to its best in person season performance since 2019 and second best season performance (2024) in 16 years by optimizing robot design and cost management, reducing expenses by 25%.
- Secured multiple sponsorships from companies such as SolidWorks and Xometry and organized outreach events for students to learn more about STEM (workshops, showings, speaker events)

Head Mentor/Design Mentor - FIRST Tech Challenge Team Mech-a-Mind **Jul 2023 - Present**

- Taught mechanical design and optimization, build techniques and assembly to 9+ students
- Team currently having best season in history - undefeated at 2 competitions and ranked 7th in league

Founder - EduEngineering **Jan 2024 - Present**

- Founded program where students fix, build, and solve problems around their community - over 1000+ students and faculty impacted
- Expanded to schools across CA, OR, TX, and more

Mechanical Designer - Jeremey Fielding **Feb 2026 - Present**

- Designed custom aperture setup for YouTube channel with 1M+ subscribers

Lifeguard, City of San Marcos Aquatics **Jun 2023 - Aug 2024**

- Red Cross Certified (First Aid/CPR/Lifeguard) - Ensured safety of up to 100-120+ patrons in the facility at a time

Center Referee, CalSouth Soccer Association **Jun 2022 - Dec 2024**

- Coached U8 and younger players during gametime, encouraged safety, enjoyment, and education

ADDITIONAL INFORMATION

- iGEM Preident (SDSU lab/math mentor)
- Lead, SciOly HS Team & MS Head Coach (50+ students, 10+ mentors)
- Peer Counselor - 1 of 75 students selected
- Varsity Volleyball
- Math Club President
